

Art Gallery

"Children are a treasure of hidden talents and New ideas".

This saying was proved rightly by our First Art Gallery which was held on 26th January, 2021 under the guidance of our art teacher, followed by the immense support of all teaching and non-teaching staffs. The aim of the exhibition was to provide a platform to our young students to showcase their talent and creativity.

The exhibition was inaugurated by our Honourable Chief Guest, Smt. Vijayalakshmi Ranganathan by lighting the lamp, which was followed by patriotic songs by our teachers. There were nearly 250 paintings that were exhibited. It was an involvement of all the young artists of the school by displaying their exhibits through glass painting, spray painting, water painting, collage and best out of waste.

Students and parents of different classes had visited the Art Gallery at the stipulated time allotted to them, which helped us to maintain the social distancing during this pandemic. The valuable feedbacks of the Chief guests and parents have been captured, which would motivate us to work harder and reach the goals.

Our first art gallery was a grand success and exceeded all our expectations. we dedicate this to our school management who have been very supportive and we are grateful to our management forever.

An art exhibition is essentially the best way to help children learn and practise skills like patterning, critical thinking, self-understanding, future development, public awareness and so on. If you are someone looking forward to experience all this, make sure to pay a visit to our Art Gallery next year, if you have missed it this year.
