

NAVRATHRI CELEBRATIONS

The first navrathri celebrations at Rudrappasamy School commenced on 16.10.2020. The celebration was named “Dhriti” - which means “Moral, Courage and Steadiness”. The stage was set and background decorated. The first auspicious formality “arranging the kalasam on the top most step” was initiated by our Correspondent Madam, Dr S A Prasanna, followed by our Principal Madam, Mrs J Premila. The formalities were completed by all our staff members, each one of them who arranged the dolls in all the steps to complete it.

For the next nine days, the traditional Pooja continued with the offerings of prasadam by all our teachers. This celebration would be incomplete without the students and parents. Considering the covid19 pandemic and the safety measures, each day a limited number of parents and students were invited and to avoid groups, a particular time was specified for each of them.

Teachers participated in this celebration with utmost devotion and enthusiasm and Dhandiya dance was performed by few of the teachers on the last day of the celebration.

We all feel blessed and content at the end and await for Dhriti 2021. Till then we continue to serve our best to the Society with all the blessings of the Goddess.
